**WINONA ASSEMBLY WILL BUILD NEW AUDITORIUM**

CHURCH OF BRETHREN TO CONTRIBUTE TO BUILDING FUND.

CONFERENCE CLOSES FRIDAY

(Special to The Indianapolis News)  
WARSAW, Ind., June 15.—Plans for the erection of a new auditorium at Winona Lake were announced by Dr. S. C. Dickey, head of Winona Assembly, in an address Wednesday before the annual general conference of the Church of the Brethren. Dr. Dickey expressed the hope that when the next annual session of the conference meets here in 1919, the new auditorium will be complete. It is to have a seating capacity of 10,000 to 15,000. The conference announced that a day will be set apart when a special collection in every Brethren church will be taken to aid the auditorium building fund.

**Conference to Close Friday.**  
The annual conference of the Church of the Brethren is nearing its close, and many members of the church are leaving. Several thousand will remain until the end of the business session, Friday. Union with the Progressive Brethren church again was postponed yesterday by the conference. The fraternal relations committee reported that it is not yet time for taking steps toward a union and all action was deferred. The Progressive Brethren church is a branch of the Church of the Brethren, resulting from a schism many years ago.

**Next Meeting Place Undecided.**  
The conference decided to hold next year's meeting between the Mississippi river and the Rocky mountains, but the selection of the meeting place has been left in the hands of the standing committee, which will not be decided for some time. Among the cities winning the contest are Kansas City, Mo., Wichita, Kan., and Des Moines, Ia. According to present plans the conference will meet again at Winona Lake in three years.

**PATRIOTIC SOCIETIES MEET IN OBSERVANCE OF FLAG DAY**

Campaign to Raise \$25,000 for a Fund for the General Memorial Association is Discussed.

Several patriotic societies of Indianapolis met to observe Flag day and start a campaign in which it is hoped to raise money for a \$25,000 memorial fund for the General Memorial Association. It is planned to keep the fund intact, but to use the interest on the principal for celebrations of Memorial day, Flag day, Independence day, Washington's birthday and Lincoln's birthday.  
It was estimated that the fund, if it were established, would be a valuable asset to the Memorial association which is to be sold at \$5 a share.  
An effort is being made by the association to induce the patriotic societies to join in all celebrations in the future rather than have separate programs.  
An appropriate program in honor of Flag day was observed, Captain Albert J. B. Bruns, Jr., of the Indianapolis Board of Trade, introduced a talk by the Rev. E. S. Shumaker, a paper, "The History of the Flag," by Mrs. C. K. Erther, James Whitcomb Riley's poem, "Old Glory," recited by Dorothy Childs, and a song, "The Star-Spangled Banner," by Mrs. Verna C. Arnold.

A. M. Gorman, chairman of the joint committee on entertainment of the Board of Trade and the Chamber of Commerce, introduced Dr. J. H. Taylor, president of the Board of Trade, as chairman. Dr. Taylor welcomed the visitors to Indianapolis, and said that he hoped they would carry home a message of good fellowship and kind feeling.  
C. A. Smith, president of the Windsor Board of Trade, responded. During the smoker after the banquet, addresses were made by O. E. Fleming, Dr. J. A. Smith, W. C. Kennedy and J. H. Taylor of Windsor, and A. R. Riddell and F. M. McWhirter, of Indianapolis.  
The visitors departed at midnight for Chicago, where they will be the guests of the Chicago Chamber of Commerce and the Canadian Club.

**BOY ACCUSED OF ARSON.**

Cloves Rumpel, of Spencer, Arrested After Investigation.

An investigation made by F. C. Emerson and Garrett Fox, deputy state fire marshals, has resulted in the arrest of Cloves Rumpel, a seventeen-year-old boy at Spencer, charged with having set fire to the home of Edgar D. Ten Brook on May 17. According to his report, Rumpel confessed and is now under arrest charged with arson.  
Rumpel had been charged with arson and had been discharged a few days before the fire, a fact which resulted in his being suspected. The boy's family was away from home at the time and returned just in time to find the house in flames.  
The fire was traced to Rumpel through the testimony of Ten Brook, who said at first admitted having stolen the coal, but later admitted that he had poured gasoline on some wood in order to start the fire.
